

DURABILITY, MANEUVERABILITY, DEPENDABILITY, NESTABILITY

Made with Toter's Advanced Rotational Molding, this Tilt Truck is built to outlast and outperform. Lighten the load when moving general, industrial and food waste, and utilize the unique integrated handles for easier maneuvering and dumping. Toter[®] Tilt Trucks can safely transport loads from 400 - 2,000lbs, and with optional tow bars available, you can maximize load potential to make every haul as easy as possible.

Rugged Rim Technology:
For added strength and durability

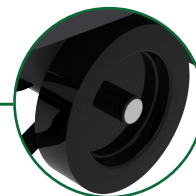

Powder Coated Steel Frames: Reduce corrosion and flaking to help ensure long service life

Forkliftable Frame: Adaptable to industrial/Manufacturing Environment (not featured in utility model)

Integrated/Ergonomic Handle: Provides comfortability and ease of use while pushing, maneuvering, and dumping

Inset Wheels (nestable fully assembled): Allows for easy storage
